First Quarter 2022

When the Lord called us to George, 21 years ago, we had NO idea what He had in store and what the ministry would look like after so many years.

What a blessing to look back and say we have come through many “dangers, toils and snares” but the Lord has proved faithful when our faith failed. The new year broke with a daunting reality of challenges from all sides but again, when we took our eyes off the waves, the Lord took us by the hand and put us back in the

boat called Life. The faithfulness of staff that have stood with us has made this a possible journey. Thank you

Celebrating 11 years of service with LIFE..... Neville (back next to Philip) and Tracy his wife (left front who doesn't work for us but part of the TEAM!)

This gathering brought tears to my eyes. The ISIPHO ladies organised a tea and we all had to wear black and white. They asked us for nothing—Just blessed us!

A Warm welcome to the new staff: Colleen Bredenkamp ; Dewald Famboos; Nonela Platjies

Our Happy feet children blessed us at the Thank You Breakfast with their worship. Phiwe shared her

testimony of what the Lord has done in her life and it was truly a blessing and encouragement to many. Thank you Dewald and office staff for catering and and Isipho for your display. It was a blessed and very special morning at Shofar Church! The Joy and Presence of the Lord was so real!

What a privilege to partner with our church for these events. Thank you Shofar

We enjoyed the most awesome time with our children during our Back-to-School programme. The children got their back packs, school stationary and loads of love, good food, FUN and the best: The Word and Worship. Thank you Eden Church. With you help we equipped more that 350 children to have what they need to be in school. This included all our centres, Happy Feet and all the children who needed help.

Do not be afraid of discouraged, for the Lord will personally go ahead of you Deut 31:8

Then came the Holiday Club and again we gathered the children at the Village, got together in the tent and did the whole event from Jesus entrance into Jerusalem till the open grave. Children committed their lives to Christ, lives were changed and hearts were moved to follow the Lord in spite of circumstances. Neville, Warradia, Siswe and all the staff were well prepared, excited and ran an incredibly powerful holiday club. The worship was amazing and the Lord was present.

Thank you to ALL THE STAFF The food, the games the crafts, the cleaning.....

In asking an eleven years old child what the best part of the program was, we totally expected the answer to be ‘the food’ because our ladies pulled out all the stops and served yummy, nutritious meals every day.

The reply: the “ Love, Word and the Worship!”

This was a precious and exciting month for the ministry! So wonderful to see the staff lead the holiday programme and bring glory to the Lord! In NO particular order wonderful things are happening at the Village:

We were at the Inter-schools Sports athletics event at Mosselbay. Our little red shirts were seen everywhere and they took quite a few first places. Their was no formal training and no fancy tekkies (tennis shoes) but fast, fearless runners. Well done LCA well done staff!

An awesomely blessed Friday! We had the Fire and Fragrance team from YWAM share in the assembly with the children. It was blessing to the children and staff as they shared the Lord's Prayer in a simple yet effective way- thank you Lene and team! May the Lord expand your place of ministry.

This was followed by a visit from Haygrove UK with a donation of soccer equipment and uniforms for our children from Bruce representing another charity from the UK.

Later in the day, the Team from 'Heal our Nation' came, led by Gary and his team. Thank you all for making it a banner and blessed day. So good to be with Kingdom minded people.

Our desks arrived for the Grade5 and 6 classes. It was a long wait and the children helped unload the truck.

Mr Noble visited LCA and inspired the staff and children after a traumatic time for the school. For the staff he did a staff wellness event and for the children an assembly. The response was overwhelming positive. The children need FATHERS in their lives.... He did a painting for the children and a pottery demonstration for the staff.

At Happy Feet (above) the story of the cross was so powerfully explained to our children. Many kids were introduced to Jesus collectively at the Village and Happy Feet.

We participated in the Worldwide Women's Day of Prayer. The teachers did the prayer-time and spoke to the girls. Siswe and Neville took the boys and divided them

into groups then Pastor Amos spoke to them powerfully. An opportunity to impact our children for Christ. Thank you teachers and men.

Heart for a Child is a powerful vehicle for anybody to get involved and make a difference in a child's life for a life time. Our goal for 2022 is to see 100 children fully sponsored for the year. Together we can do this. Please visit our website, www.lifecommunity.co.za to sign up and impact a child's life today.
