Treasure of Heaven  
Brilliant like the stars  
In the wintry sky  
Joy of the Father  
Reach through the darkness  
Shine across the earth  
Send the shadows to flight.

*Sing Hallelujah (x3)  
For the things He has done  
Come and adore Him  
Bow down before Him

## Dear friends, family and supporters

It has truly been a year of challenges for all of us all over the world. BUT it has been a year of opportunity as never before. The amount of miracles we witnessed day by day has been astounding. One thing that is evident in this time is that we are not alone and that the Lord is in control.

WE at LIFE want to take this opportunity to thank you and to express our thanksgiving and gratitude for all you have done to assist us this year.

Thank you for the encouragement, support blessing, and friendship.

Our hearts are saddened by the resignation our dear friend and colleague Sally.

She has tirelessly served for 18 plus years in the ministry. Sally has left indelible footprints in the hearts and lives of children, friends and staff. We want to thank her and express our gratitude for the example she has been to many. It is our desire to see her succeed in the next chapter of her life. As she says, 'this is the end of a season.'

The good news is that we will still operate in the same offices as our business, Champions After-care, We sublet to LIFE Community Services.

We wish you all that God has for you as a staff member, colleague, supporter and FRIEND—personally and of LIFE. We know that Jeremiah 29:11 is a promise for her and many of us. Go well my friend.

**L**ife Community is a NPO that focuses on generating a sustainable income that can provide for the main core values and objectives of its existence. 'Imprint Coffee,' is another creative way of drawing awareness to the invaluable work Life is doing in the community of George, but also giving the purchaser the amazing taste of coffee.

In the month of November 2020, we launched our very own coffee, called 'Imprint Coffee with a Cause.' We have partnered with the original coffee roaster in George, to make a unique, yet rich and full blend of coffee bean for Life specifically. All profits will go directly into the children attending Life on a daily basis. Each bag of coffee represents a child's heart being touched, a tummy being fed and an education being given!

**I**SIPHO is our job creation and sustainable income project. 2020 brought change to this area of the ministry. We believe it is a new season and God revealed our capacity for growth during this time.

We have been pushed to explore new horizon and ISIPHO will go online before the end of the year. We have produced an exquisite Baby Range comprising 100% linen clothing and Wooden and Crochet Toys. These products will go on to Facebook & Instagram Shop Online, and Take-a-Lot in the new year. Another change is our focus on opening a shop at our offices in Cradock Street which will be open for trade every day of the week. You can also purchase our product at ELVIS BREW, a new Restaurant on the outskirts of George. Thank you so much Sally!!
